

LEVEL 1 INCIDENT MANAGEMENT COURSE

PUAEMR038 Work within an emergency management context

COURSE OVERVIEW

The Level 1 Incident Management course consists of one nationally recognised unit of competency developed for personnel who may be required to:

- perform a role within emergency management and
- be informed of incident management underpinning principles and concepts.

The underpinning knowledge and concepts of incident management, such as AIIMS and ICCS, will be a focus throughout the course.

UNITS OF STUDY

The Level 1 Incident Management course comprises the following unit of competency:

PUAEMR038 Work within an emergency management context

This unit applies to people who are undertaking, or are preparing to work in, an emergency management role within their organisation and/or local community and require a broad knowledge of emergency management frameworks within differing jurisdictions.

DURATION OF STUDY

The duration of this training course is 2 consecutive days in a classroom delivery (face-to-face component) with post-course study. Please note there will be a number of assessments which will need to be completed in-class and post course to be submitted for competency.

ENTRY REQUIREMENTS

This course is intensive and you will be asked to complete a brief pre-entry assessment to determine your suitability to complete this training course. It is important that learners

FUTUREWEST INSTITUTE
Registration code: 41184

wishing to complete this course are mature aged students who have emergency management responsibilities within their workplace or volunteer role. Additionally, learners also need to be mature aged students who have completed secondary schooling and/or completed other qualifications.

Participants who have successfully completed this course will receive a Statement of Attainment listing the successful completion of the unit from the Public Safety Training Package.

FUTURE PATHWAYS

The unit [PUAEMR038 Work within an emergency management context](#) can be used as a core unit towards the PUA50120 Diploma of Public Safety (Emergency Management) qualification.

TRAINING DELIVERY

The course will be facilitated by an experienced and knowledgeable instructor with industry relevance and skills.

LEARNING NEEDS AND REQUIREMENTS

FutureWest Institute endeavours to support all suitable students to complete this training course. Please advise prior to course enrolment if you require additional learning supports or requirements so we are able to assess and accommodate your needs.
