

PUA60119 ADVANCED DIPLOMA OF PUBLIC SAFETY (EMERGENCY MANAGEMENT)

COURSE OVERVIEW

The PUA60119 Advanced Diploma of Public Safety (Emergency Management) is a **new qualification** that has superseded the previous PUA60112 Advanced Diploma of Public Safety (Emergency Management) as of 15 July 2019*. This new qualification is designed for emergency service personnel undertaking senior emergency management responsibilities at an organisational level. This will include the management of community programs, stakeholder engagement and the negotiation of interagency memorandums of understanding. This course will focus on the core aspects of:

- facilitating an emergency risk assessment
- facilitating emergency planning processes
- determining treatment options
- managing and delivering recovery functions and services
- designing, managing and evaluating emergency management exercises
- knowledge of emergency management frameworks and arrangements
- coordinating resources for a multi-agency incident
- developing and maintaining business continuity plans
- managing media requirements at major incident, and
- contribute to developing an emergency risk assessment and treatment plan for a community.

Please note this course is only suitable for those who are wanting to complete all the requirements to obtain a full Advanced Diploma qualification. The assessments within this training course is heavily clustered across all of the units. This means all the knowledge and skills are taught throughout the course, and you will only receive a certificate and testamur once you have been assessed as competent in all of the units in the course.

UNITS OF STUDY

The PUA60119 Advanced Diploma of Public Safety (Emergency Management) qualification comprises of the following 8 core and 4 elective units:

Core Units

PUAEMR009	Facilitate emergency risk assessment
PUAEMR008	Contribute to an emergency risk management process
PUAEMR012	Determine treatment options
PUAEMR017	Manage recovery functions and services
PUAEMR011	Manage and evaluate emergency management exercises

BSBCON601	Develop and maintain business continuity plans

DURATION OF STUDY AND ASSESSMENTS

The estimated duration of in class attendance (face-to-face delivery) for this qualification is 10 working days. Please note there will be a number of assessments which will need to be completed in-class and post course. Assessments can include observation assessments, case studies, written assignments, as well as mandatory third party reports. Students will have up to 18 months post course to complete their post course assessments. Please refer to the Learner Handbook for more information.

ENTRY REQUIREMENTS

This course is intensive and you will be asked to complete a brief pre-entry assessment to determine your suitability to complete this training course. It is important that learners wishing to complete this course are mature aged students who have emergency management responsibilities within their workplace or volunteer role. Additionally, learners also need to be mature aged students who have completed secondary schooling and/or completed other qualifications.

Due to training package pre-requisite rules, the student must be deemed competent in the units PUAEMR008 Contribute to an emergency risk management process and PUAEMR009

Facilitate emergency risk assessment prior to determination of competency in the unit PUAEMR012 Determine treatment options.

Participants who have successfully completed this course will receive a qualification and testamur listing the successful completion of the units within the Public Safety Training Package.

COURSE REQUIREMENTS

You will need to bring a laptop with you to the training course for the full 10 days of in-class delivery. You will also need to have access to a phone or video camera as some of your assessments will require video capture as evidence of your assessments for submission.

TRAINING DELIVERY

The course will be facilitated by an experienced and knowledgeable instructor with industry relevance and skills.

LEARNING NEEDS AND REQUIREMENTS

FutureWest Institute endeavours to support all suitable students to complete this qualification. Please advise prior to course enrolment if you require additional learning supports or requirements so we are able to assess and accommodate your needs.
